1. Personal Data:

- **Name:** Hoda Awad Abd El-Zaher
- **Position:** Teaching Assistant
- **Department:** Civil Engineering
- **Academic E-Mail:** hoda.awad@et5.edu.eg

2. Specialization:

- **General Specialization:** Construction
- **Specific Field:** Reinforced concrete

3. Academic Qualifications:

- **M.S.C Degree in Civil engineering** **2/2017**
Faculty of engineering, Mataria, Helwan University
Thesis Title: Study of Flexure Beams Reinforced by Different Hybrid Percents of Glass& Carbon Bars
- **Bachelor of Civil Engineering** **9/2011**
Faculty of Engineering, Mataria, Helwan University
Grade: Very good with an honor degree

4. Publication

- 1- **Study of Flexure Behavior of Beams Reinforced with Different Hybrid Percent of Glass and Carbon Bars - British Journal of Applied Science & Technology - 2016**
- 2- **Effect of BFRP Sheets on Strengthening Deep Beams with Openings-Engineering research journal -2023**

5. Working Experiences

- **Teaching Assistant** **2017:Till Now**

Higher Institute of Engineering and Technology, Fifth Settlement, New Cairo

- **Demonstrate** **2011:2016**
